

CHRISTMAS JUMPER

FUN DAY 2022

Have fun helping Kingston Hospital

Help us spread some Christmas cheer and put a smile on everyone's face at Kingston Hospital by joining our campaign and raising money!

Christmas Jumper Day is Friday 9 December but you can choose the best date for your event. From creating a special challenge and asking friends and family for sponsorship, to asking colleagues to wear their festive jumper for a day in return for a donation, whatever you do, we are hoping our local community will want to get involved.

You can devise your own special jumper fun activity such as a Christmas Jumper Fun run, row, ramble, dance ... the choice is yours.
